

Welcome to Mantle Psychology *Hathersage Clinic*

Map data @2024 Google

We are located just down the road from the train station which makes our clinic easy to find. The Train station is very well sign posted on approach from both directions once you have reached Hathersage.

Once you have turned onto station Approach, follow the road along until you see the Train station car park entrance which will be to the right.

Carry on straight forward to Heather lane until you reach unit 8B which will be on your left.

We do have on site parking however should this be full, please see below where we have detailed the names and postcodes of the carparks situated closest to our clinic:

Hathersage Station Car Park (S32 1DT)

Oddfellows Road Car Park (S32 1DU)
